PROMOTIONAL DISPLAYS

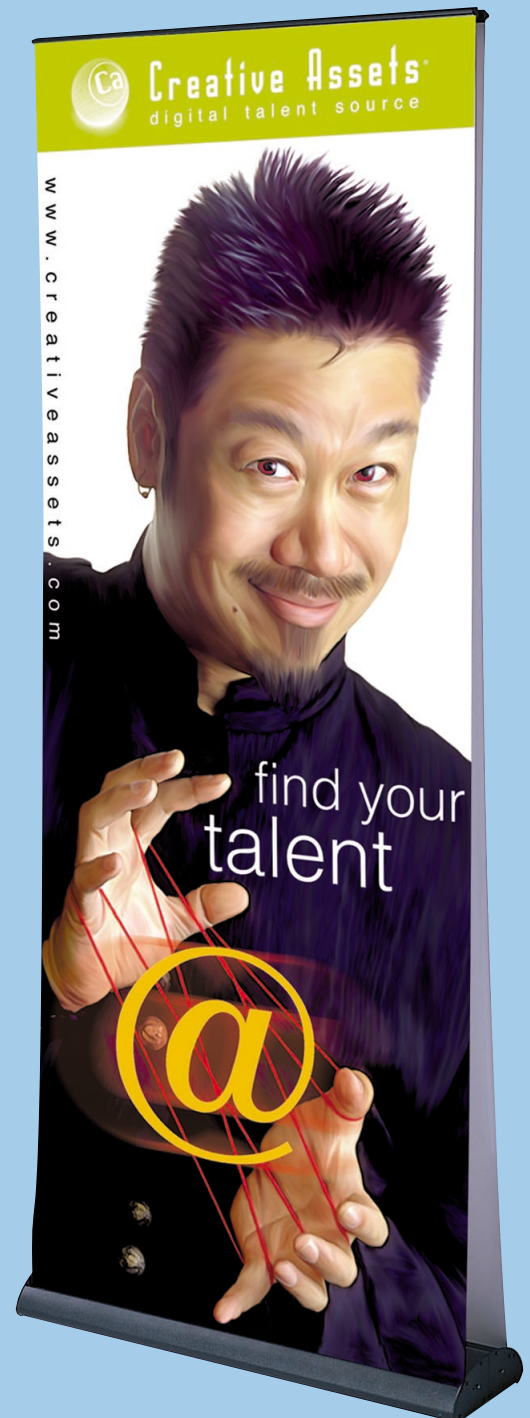

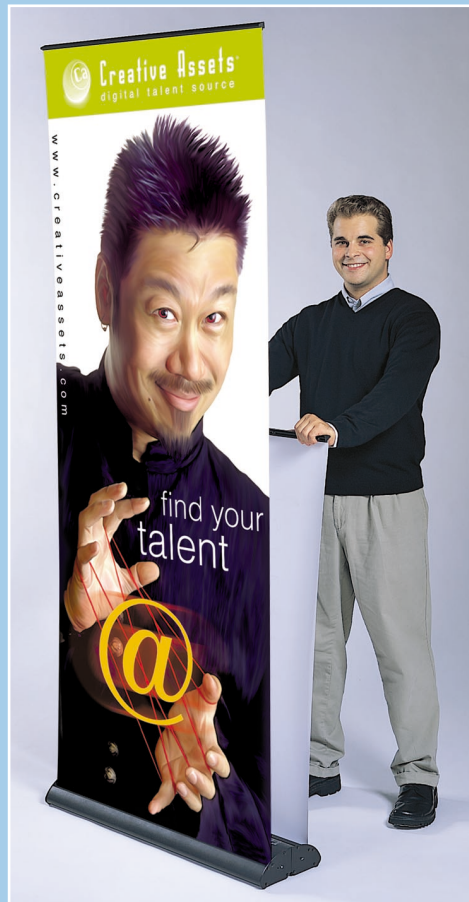

ROLL UP2

Create double the impact with Nimlok's double-sided banner system! Roll Up2 utilises two independent rollers, providing two surfaces to present your message - use singly or together to create double the effect.

Because Roll Up2 is lightweight, self-contained and incredibly portable, you can put it up in seconds - anytime, anywhere!

Roll Up2 is ideal for promotional messages, point of purchase displays and instant presentations.

ROLL UP

Nimlok's original, portable banner system. Roll Up uses a single roller mechanism, storing and protecting your graphic in its base for perfect instant presentations time after time. The lightweight display is ideal for promotional messages and Point of Sale displays.

- **Lightweight**
- **Single graphic**
- **Easy to carry**
- **Instant presentations**
- **Easy to change graphics**

Weight: 5.8kg including unit,
 graphic and bag
Dimensions: 2200mmH
 x 860mmW
 x 250mmD

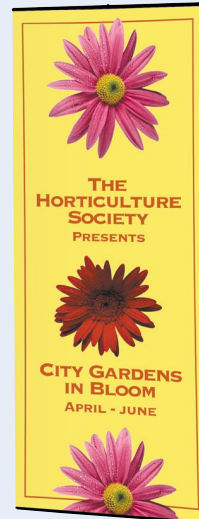

SIGN UP

Sign Up is Nimlok's simplest and most cost effective free-standing banner display. It is sturdy, yet ultra lightweight and great value for money, making it ideal for instant promotional and point of purchase displays, or any number of graphic display needs. It fits, complete with graphic, into its own carry box.

A simple pole and hook assembly goes up in no time at all. And because the graphic is separate, your promotional message can be changed as often as needed.

- **Elegant**
- **Seperate graphic**
- **Ultra lightweight**
- **Great value for money**

Material: Black colour-coated aluminium
