

# EASYLINK

PORTABLE PANEL SYSTEM

# nimlok

DISPLAY AND EXHIBITION SOLUTIONS WORLDWIDE

## ULTRA LIGHTWEIGHT PANELS SLIDE TOGETHER TO CREATE AN ELEGANT DISPLAY, WITH NO GAP BETWEEN PANELS AND NO LOOSE PARTS.

- Lightweight numbered panels
- Flexibility to expand
- Elegant Modern look
- Ease of assembly
- No loose parts
- Two system heights available

### SETUP:

Only one panel needs to be lifted into position at a time. Assembling and dismantling by just one person is quick and easy. The aluminium connecting system is permanently attached to each panel, with no small parts to lose or forget.

Corresponding numbers on panels eliminate confusion during set up
