SERVICES

# WORLDWIDE SERVICES

**N**imlok offers a complete range of exhibition management services to make exhibiting smooth and troublefree anywhere in the world.

Nimlok's expanding International Network comprises more than 200 distributors located in over 45 countries. Services from the Network include the hire of Nimlok systems, the supervision of installation and dismantle, storage of displays between shows, transportation, and complete turnkey management of exhibition programmes.

From the provision of platform floors, carpets, electrics, plumbing, furniture and floral, to the storage and installation of the stand itself, Nimlok can manage the entire event for you professionally and efficiently. With space at a premium in many offices, Nimlok can store and care for your exhibition equipment between events, ensuring it is kept in pristine condition.

Nimlok's custom modular system is ideal for larger exhibition stands and is designed to meet individual requirements. Portable panel systems, often chosen for smaller displays, are extremely easy to assemble and Pop Up displays provide the ultimate in portability.

From the provision of the simplest displays to the grandest global programmes, Nimlok Services will be delighted to provide a free quotation for your requirements.

# SERVICE PLUS

**S**ervice Plus is Nimlok's prestigious total service solution for your national or global exhibition programme.

The programme is available on a 12 month contract basis and covers:

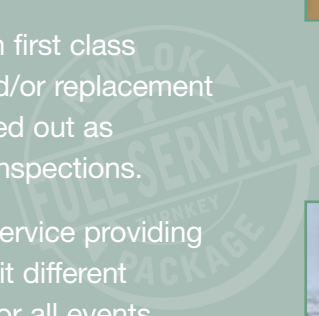

- Dedicated Service Plus Co-ordinator to co-ordinate the logistics of your exhibition programme and to ensure smooth communication and great support.
- Maintenance of equipment in first class condition. Refurbishment and/or replacement of Nimlok equipment is carried out as necessary following regular inspections.
- Stand design and redesign service providing reconfiguration options to suit different locations and requirements for all events.
- Storage of equipment at Nimlok House in Wellingborough.
- Insurance of your exhibition equipment while at Nimlok's facility and in transit to and from event venues.

In addition, the Service Plus contract incorporates the following charged on per event basis:

- A total package with Nimlok organising all installation/dismantle of your exhibition equipment for all events.
- Nimlok will also provide electrics, carpeting and platforms as required and will be pleased to provide furniture and all other ancillary services that you may require during the course of your exhibition programme.

Your Service Plus contract provides maintenance of equipment in first class condition.

Equipment is stored at Nimlok House between shows.

Nimlok Services can organise all on-site services as required.

# PORTABLE DISPLAY HIRE

**N**imlok's portable exhibition hire programme is ideal for smaller exhibition requirements. Choose from 32mm pole and panel displays, hinged folding kits, Compact pop-up displays or Easylink portable panel system.

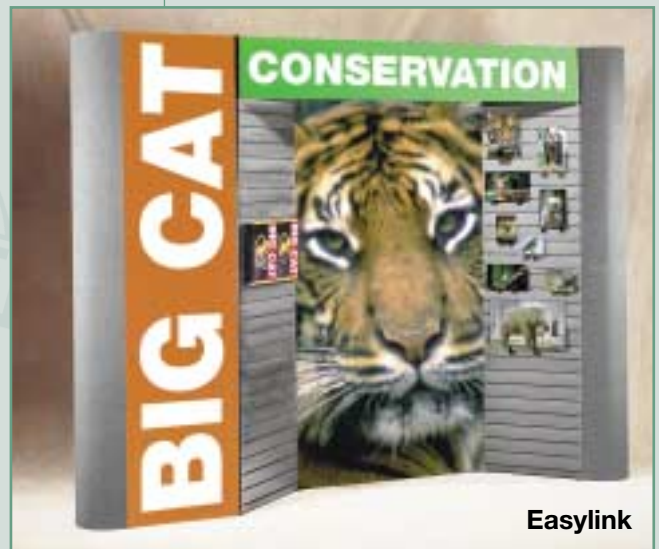

**Panel & Pole Displays**

**32MM PANEL & POLE DISPLAYS:** For off-the-floor displays, small exhibition stands and shell schemes, 32mm panel and pole displays are ideal. Panels are covered in light grey/dark grey polyweave material with light grey frames. Bases, header panels, shelves and tabletops are also available. See pages 12 - 15 for kit ideas.

## HINGED FOLDING KITS:

Light grey/dark grey polyweave with light grey frames, shelves and header panels also available.

Lightweight portable folding kits that utilise 360 hinge for total flexibility. Panels are covered in light grey/dark grey polyweave with light grey frames. Shelves and header panels are also available. See page 15 for kit examples and accessories.

**Easylink**

**EASYLINK:** Easylink portable panel systems feature exceptionally easy set-up and design flexibility. Panels are covered in silver Frontrunner fabric on one side only. Backlit headers, slotwall panels, magnetic graphic panels, shelving and loadbearing counters are also available. Refer to pages 20 - 23 for kit examples and accessories.

**Compact**

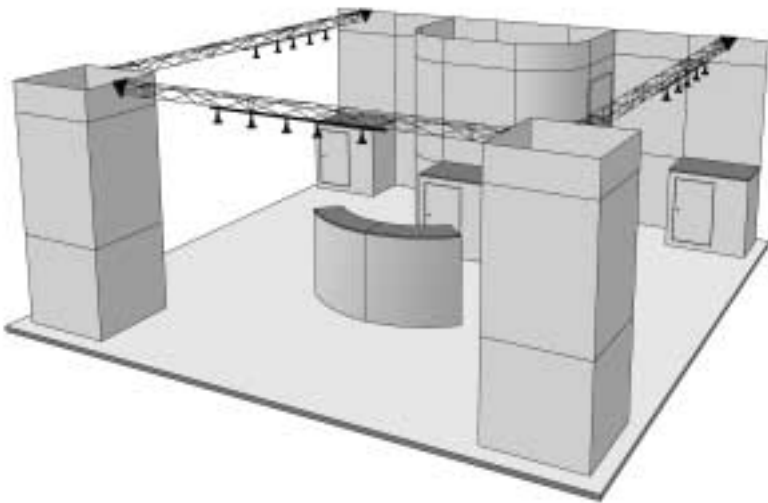

**COMPACT:** Compact pop-up displays provide the ultimate in portability and easy set-up. A single 3x3 display complete with frame and panels fits neatly into a single transport case. Panels are in silver Frontrunner fabric, or graphic panels are available to purchase. Displays are available in straight or curved format. Refer to pages 16 - 19 for kit ideas and accessories.

# CUSTOM MODULAR

LAMINATED DISPLAYS

Create an elegant, customised exhibition system by combining white laminate panels, Nimlink connectors and Trilok gantry. Nimlok's free design service and complete stand management will guarantee a dramatic design and professional event, time after time.

# THE HIRE AGREEMENT

**Pricing and Acceptance:** Nimlok Ltd prices and product specifications are subject to change without notice. Complete order information must be received before orders will be accepted for production scheduling. If shipping date requested is more than 120 days from date of order, Nimlok Ltd shall have the right to use list prices in effect at the time of shipment. All orders are subject to acceptance by Nimlok Ltd. Telephone orders are effective upon written confirmation by Nimlok Ltd. Accepted orders may not be withdrawn or amended.

**Terms:** For all hire orders we request pro-forma payment.

All prices quoted are exclusive of Value Added Tax where applicable. Payment for the goods shall be made on or before the date fixed in accordance with the terms agreed between the buyer and seller for the operation of the account between them; in the event that payment shall not have been made by such date the seller shall be entitled to recover from the Buyer interest on any outstanding balance at the rate of 3% over Barclays Bank minimum lending rate for the time being in force for the period from such date until the date of payment.

**Delivery:** Prices exclude carriage from our offices. We require 10 days notice from date of order.

**Claims and Returns:** Nimlok Ltd is not responsible for damage or shortages that occur in transit or storage. Customer must note any damage or shortage on the carrier's delivery receipt. Claims must be filed by the customer directly with the carrier.

Claims against Nimlok Ltd for errors, defects, and shortages must be in writing and be made within seven (7) days of delivery. Returns will not be accepted without written consent and shipping instruction from Nimlok Ltd. Customer's sole remedy for any breach of this contract is repair or replacement, at the option of Nimlok Ltd, of nonconforming goods. All other remedies, including without limitation remedies for consequential or incidental damages, are excluded.

**Damage and Shortages:** The customer is responsible for any damage or shortage caused to equipment whilst on hire. Repair and/or replacement of equipment will be charged to the customer at current list prices.

**Limited Guarantee:** Nimlok Ltd guarantees, to the extent and subject to the limitations described in this paragraph, all Nimlok Ltd equipment hired hereunder to be free from defects in material and workmanship if properly installed, serviced and operated under normal conditions according to Nimlok Ltd's instruction. Nimlok Ltd's obligation under this guarantee is limited to correcting or replacing, at its option, any equipment or parts that shall be returned to Nimlok Ltd, transportation prepaid, within one year after being put into service by the original user if Nimlok Ltd is satisfied that the equipment was originally defective. This guarantee shall not apply to any products which must be replaced because of normal wear, which have been subject to misuse, negligence, or accident, or which have been altered by someone other than Nimlok Ltd. THIS GUARANTEE IS IN LIEU OF ALL OTHER GUARANTEES, EXPRESS OR IMPLIED, INCLUDING GUARANTEES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE, and no person, agent or dealer is authorised to give any further guarantees on behalf of Nimlok Ltd unless such guarantee is in writing and signed by an officer of Nimlok Ltd.
